Every year, thousands of kids are diagnosed with a brain tumor—the deadliest type of childhood cancer. You can give them a bright future by joining other motorcyclist at the Pediatric Brain Tumor Foundation’s Ride for Kids[®] to raise funds for medical research and family support. We ride in 40 cities across the country.

Get a free information kit at your local motorcycle dealer today, call us at 800-253-6530 or go to rideforkids.org to learn more.

Thank you from the kids!
